2. The following is an examiner's statement of reasons for allowance:

Art Unit: 1796

In the Amendment filed on December 27, 2007, applicants further limited the heterocyclic ring of the monocyclopentadienyl complex to be a di-heteroatom containing five member represented by formula (IIlb). Since Wang (US 6,723,675) cited in the rejections of the previous Office action does not teach or reasonable suggest such a complex, the rejections are withdrawn and the instant claims are in the condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Caixia Lu whose telephone number is (571) 272-1106. The examiner can normally be reached on 9:00 a.m. to 5:30 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Wu can be reached on (571) 272-1114. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
